

KINDERGARTEN THANKSGIVING

Kindergarten Thanksgiving is a short version of our popular *Harvest Time* event that the Beaufort Historical Association holds to help students learn how their colonial ancestors prepared for the winter and celebrated the holidays. This program is held each November with sessions lasting one hour. The students participate in a variety of stations such as Butter Churning, Colonial Dress-up, Open Hearth and a visit with Mr. Leffers.

If you would like more information about this program or would like to schedule your class we encourage you to call our Office Manager or BHA Education Director at 252-728-5225. If they are not available, please leave the information with the volunteer on duty.

If you would like a copy of the Student Packet that contains pre-visit and post-visit information and activities, please let us know when you call.

We look forward to seeing you and your students on site for another memorable and educational Kindergarten Thanksgiving!
