**Beaufort Historical Association**  
**Policy on Chartering the Double-Decker Bus**

The primary use of the bus is to help the Beaufort Historical Association (BHA) achieve its mission of interpreting the cultural, architectural, and historical heritage of Beaufort and Carteret County, and to interest and educate current and future generations of this heritage. Toward this end, the bus is used mainly for regularly scheduled and special historic tours of Beaufort. **It will accommodate up to 72 passengers.**

At the discretion of the Executive Director, the bus may be rented, with or without charge, for uses other than for tours of Beaufort. Examples include transportation for BHA events, weddings, Boys and Girls Club events, and holiday parades. The following constraints on such use of the bus are intended to ensure passenger safety, to limit exposure to liability, and to help insure that the bus is used to achieve the mission of BHA.

- The rental agreement, signed by the charters and the Executive Director, must state that no alcohol consumption is permitted on the bus.
- If the date, time of day, or route of the charter is such that no driver or conductor may volunteer to take the run, then a driver and conductor must be secured before asking the client to sign the contract.
- The driver, with the conductor's help, is responsible for the safety of the passengers. The driver may alter the route or call off the ride if there are safety concerns. This includes unruly passengers and passengers consuming alcohol while on the bus.
- In case of an emergency, the driver should refer to the emergency check list in the folder to the left of the driver's seat. This will include a backup plan for the safe transport of all persons on the bus to their destinations.
- A conductor must be aboard during all charters. In addition to signaling the driver of danger when backing, the conductor is to ensure that no passenger endangers themselves or others.
- The bus must remain in Beaufort; it cannot go over bridges.
- At the beginning of each charter, an announcement must be made advising passengers that no alcohol may be consumed while on the bus, that they are to remain seated while the bus is in motion, and to refrain from reaching for any object outside the bus.
- Our driver and conductor are volunteers. Tips are appreciated.
- Please note that our driver and conductor are volunteers, please do not exceed your allotted rental time unless approved. Anything 30 minutes or over will receive an additional charge.
