

Jury Application

Please print and complete the application below including the tags for your work. Deliver your completed application along with your art to the Mattie King Davis Art Gallery **at least one day prior to the second Tuesday in either January, April, July, or October**. You may leave your work leaning against the wall in the room with the desk. Be sure you have attached a tag to each piece of art. We suggest that you staple or tape the tag to the hanging wire so as not to damage your work or frame. Thank you.
