Accompanying events will emphasize art and design — both of which are integral to Beaufort's cultural heritage. Events include an art opening for the Old Homes Tour Featured Artist, *Larry Dean,* at the Mattie King Davis Art Gallery, a Literary Luncheon with the author, actress, and historic preservationist Deborah Goodrich-Royce, the return of the beloved Purvis Chapel Choir Concert, and a Southern Brunch to close out the weekend! ■

JUNE & JULY FEATURED ARTIST

Larry Dean

Join us at the Mattie King Davis Art Gallery on June 10 from 4 – 6 p.m. to welcome artist Larry Dean. Dean will be the featured artist for June and July, as well as the Beaufort Historical Association's featured artist for the 62nd Annual Old Homes Tour.

Dean has been a musician in North Tower, a Raleigh band that plays "Top 40, beach, funk, and oldies," for 40+ years, but his love of art began with his mother, a dedicated artist who painted before losing her eyesight when Dean was young.

He married a graphic designer who noticed his artistic leanings and encouraged him to pursue painting in addition to his music.

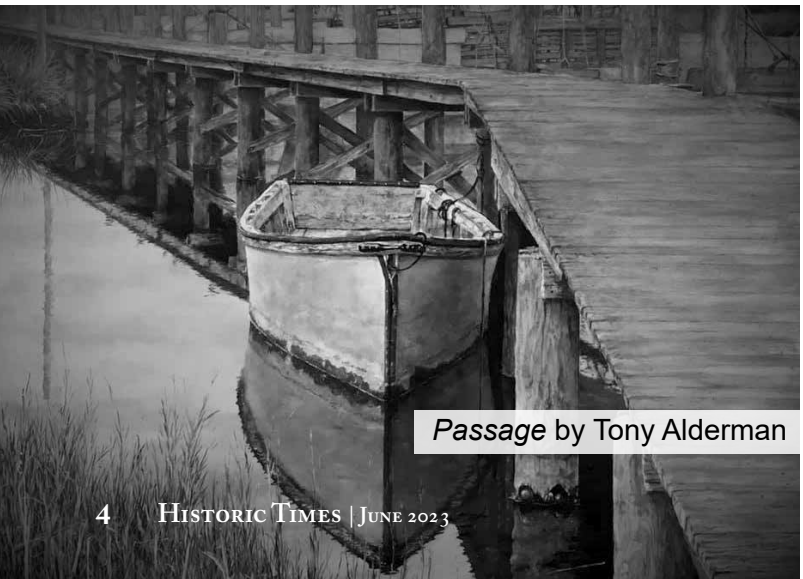

Twenty years later, he's still expertly balancing both talents and loves painting scenes of beautiful places while touring with North Tower.

Walking around Raleigh, one can spot countless Larry Dean originals in restaurants, galleries, and private homes.

Dean is now an art teacher and enjoys seeing his students progress in their own artistic capabilities. However, he's also committed to his own growth as an artist, continuing to keep in touch with his old teachers and peers. "My goal is always to keep doing what I'm doing and looking for ways to develop," Dean reflects. We look forward to witnessing his process every step of the way. ■

Passage by Tony Alderman

Special Featured Opening

Tony Alderman

From **August 4th through the 18th,** the Beaufort Historical Association will proudly host Tony Alderman, a veteran Mattie King Davis Art Gallery artist. This short-term show will highlight Alderman's most recent masterpieces depicting North Carolina's coastal landscapes.

Alderman's work aims to honor the communities of this state and the environments that surround them. Often painting scenes of abandoned shacks, rusted boats, and retired fishing nets, Tony explains that these elements of decay "are a reflection, a moment in time that captures the past, the present, and even the inevitable future that ages and changes us all."

For more information on Tony Alderman's show at the MKD Gallery, call (252)728-5225, or visit his website at **aldermanarts.myshopify.com** for more information on his art. ■

JULY 8 • 7 - 11PM Summer Party

Mark your calendars for one of Beaufort's best parties, the BHA's annual Summer Party!

We cannot wait to see all of our friends, including *Scarborough Fare Catering,* who will be whipping up delicious food and drinks all night long. This year, we welcome *THE NIGHT YEARS BAND* from Raleigh, North Carolina, who will light up the dance floor with classic songs and the latest hits!

Our online silent auction is open now for bidding (bidpal.net/bhasummerparty2023), and features a variety of items donated from local businesses and generous donors. If you would like to donate, we are accepting items now!

Party tickets are $125, and sponsorship levels include $250, $500, $1,000 and $2,500. For more details, visit the BHA website, beauforthistoricsite.org, or call 252-728-5225. ■

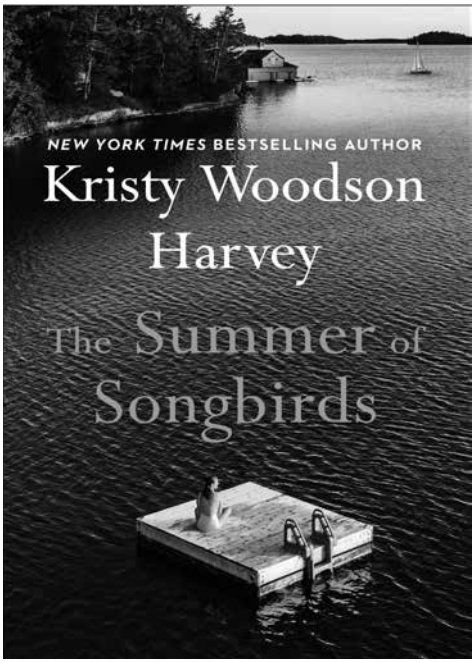

It's a *Summer of Songbirds* at the BHA

It's a new book for Kristy Harvey, so of course we want to celebrate! "The Summer of Songbirds" won't be released until July 11th; however, during the Literary Luncheon on June 21st, we'll get a preview as well as have a chance to buy personalized books in advance.

Also, our logo for the Summer Party on July 9th has songbirds singing, dancing, and eating shrimp. Since this book is all about friendship, we'll be having **"A Toast to Friendship" on the Historic Site grounds on July 22nd from 3:00 pm to 5:00 pm.** Just bring your book-loving friends!

The next day, there will be a Celebration Brunch for Kristy at Blue Moon Restaurant in Beaufort. Tickets are $45.00 and can be reserved by calling Blue Moon at 252-728-5800. We're looking forward to a great summer, and we are wishing Kristy all the best with her latest novel. ■

Thank you to those who have given special gifts this year. To make a donation to the BHA in the name of a loved one or our foundation, please visit our website at beauforthistoricsite.org under the "Get Involved - Donate" tab.

The Beaufort Historical Foundation

The Foundation Board, was established in the 1970's to create endowment funds for the Association, and as Dick Futrell always said, "It's like having one pair of pants with two different pockets." The sole purpose of the Foundation is for special building restoration projects or purchases of additional properties that would not be possible through the general operating funds of the Associaton.

Current members of our Foundation Board are Marvin Barnes, Vic Flow, Kevin McHugh, Vick Moore, Hamilton Sloan, Robert Safrit, Richard Stanley, and Jerri Sutton, as well as ex-officio members Bill Snyder and Marshall Beach. Through the years, they have helped raise funds to purchase a new-to-us (1968) double decker bus, funded the nationally awarded restoration of the Carteret County Courthouse of 1796 as well as purchasing the bus garage property, to name just a few of the many ways we've been helped.

If you would like to consider a gift to the Foundation, more information can be found online at beauforthistoricsite.org/donate. ■

The Manson House Gets a New Roof

The Manson House now has a new cedar shake roof. For over a week Murray Commercial Roofing Systems carefully removed the old roof and attached the new cedar shakes, along with sheeting, to the existing roof rafters ensuring its safety and historical accuracy to make sure it will last another 40 years! (It was last done in 1977). Murray Roofing is, and has been, an excellent partner for the Beaufort Historical Association. They bring an amazing team that gets work done quickly with expert craftsmanship.

With major projects like this one, we are incredibly grateful that we have a separate Foundation Board that handles our endowment funds and continues to raise money for future projects (that never end with historic houses). ■
