Transportation

To assist you in seeing all the stops on the tour, shuttle transportation will be provided during both days of the tour.

In addition to the scheduled stops, be on the lookout for the *Boathouse at Front Street Village* golf carts! They will be sweeping the Historic District looking for any tour-goers in need of a ride!

The tour is meant to be taken at your own pace. To make your walking tour more enjoyable & to protect the beautiful floors of the historic houses, we suggest comfortable, flat-soled shoes.
