JUNE & JULY FEATURED ARTIST

Janet Jaworski

Mattie King Davis Art Gallery welcomes artist Janet Jaworski as featured artist for June and July, as well as the Beaufort Historical Association's featured artist for the 63rd Annual Old Homes Tour. No stranger to the gallery or the Beaufort community, Janet's pieces have been featured in the gallery and fellow artists have been mentored or influenced by her.

Janet has been painting for over 40 years, most recently creating colorful oil paintings in Eastern North Carolina. Her work showcases the local beauty of wildlife, seascapes, waves, and boats, stamped with her unique and vibrant style. When her husband relocated to Carteret County for work, they were struck by the natural beauty of the area. Many of his photographs are the starting point for her paintings. Janet's style embodies her vibrant personality and love of color. "I strive to create my interpretation of local beauty with motion and color rather than simply an image of a tumbling wave or a soaring bird. I want to portray realism with a twist of abstraction within the shapes and forms on the canvas." Janet has been an active member of the artistic community since

moving to Carteret County. Prior to this she was an art director and graphic designer for many years. She has been associated with the Arts Council of Carteret County, the Mattie King Gallery locally and the Worcester Art Museum. Janet and her husband David opened Impressions Art Gallery and Studio in Morehead City. She has taken joy in promoting emerging artists and displaying their coastal creations. When asked about her favorite accomplishments, she said, "bringing people joy. Once a painting is finished, it has a life of its own."

"I take my inspiration from color, light, movement and the abstract within shapes. I will never tire of the amazing beauty around here."

It's a Happier Life at the BHA

We are so proud of Kristy Harvey and her amazing success as a New York Times Bestselling author. Her newest book is all about Beaufort and the Old Homes Tour. "A Happier Life" weaves a story from the present to the past where three generations of women face challenges all connected to their home in Beaufort. The home has been abandoned for forty years and it is up to the granddaughter, Keaton, to clean and put the home up for sale. In the middle of all this she finds herself talked into putting the family home on the Old Homes Tour. The grandmother she had never known left behind a journal full of tips for entertaining. These are but a few that apply to our events for this year's celebration for Kristy's book launch week:

- "Food is love. Flowers are jewels. No good party is complete without both. Come to think of it, no good life is either."

- "I have found that anything I need to accomplish can be done with a basket of muffins, a warm chicken potpie or a delicious dinner party meal."

- "In the end, entertaining like life is all about taking care of the people you love."

"A Happier Life" will be available in the BHA gift shop June 25th, while presales will begin June 1st with the Old Homes Tour Kickoff Party. On June 29th, the Tour After Party will feature Kristy signing books and greeting fans. On June 30th, Kristy will be the guest speaker for the Southern Champagne Brunch at the Beaufort Hotel.

Details on all events are found in this newsletter, as well as online at www.beauforthistoricsite.org or by stopping by the Welcome Center at 130 Turner Street ■

Volunteers do not necessarily have the *time*, they just have the *heart*

During the Association's January Meeting, four awards were presented recognizing volunteers for their time and dedication in 2023. The Volunteer of the Year Award went to **Marshall Beach**. Marshall serves as the BHA Finance Officer, a volunteer conductor on the Bus Tours, a guide in the Old Burying Ground, and an important member of the Foundation Board. The Longevity Award went to **Lawson Faulkner** for his ever-present smile while he greets guests for bus tours or special house tours. The Couple of the Year was **Vick and Pat Moore** who are such an inspiration to all of us. We call Vick "McGiver," because he can fix anything, and he does just that with our buildings and grounds needs. Pat keeps our Art Gallery organized and trains new volunteers. They attend most events, always helping in the background. **Susan McGee** was the Newcomer Award winner. She came to the Volunteer Training in 2023 and has been an invaluable weekly volunteer answering our phones and greeting visitors in our Welcome Center. Congratulations to these special volunteers for 2023.
