FALL PARTY FEATURED ARTIST HEATHER SINK

Starting October 23rd artwork by Fall Party featured artist Heather Sink will be on display in the Mattie King Davis Art Gallery for the Sponsors of the Fall Party.

Heather is no stranger to Beaufort and the BHA since her amazing Craving Art Studio is in our backyard. In case you cannot tell by her accent, Heather was born in England. She loves travel, and she met her husband, Jerry, while traveling in Greece. After living in Wichita, Kansas with her husband for four years, they were desperate to live beside the ocean. They

fell in love with Beaufort immediately and purchased a weekend home. While in Beaufort, she began working with mixed media. When weekend visits to the area were just not enough, she applied to teach in Carteret County

Schools, accepting an art position at Newport Middle School. She quickly transitioned to a full-time resident.

Heather's desire for more independent art led her to opening her own studio in 2013, as she said a "happy place where people can gather for art". And that is what she has done for the last 12 years. Currently Heather's focus is experimenting with Abstract Realism. She is inspired by our Eastern Carolina culture and environment. She also loves to collaborate with other artists, bringing them to Beaufort for frequent workshops.

When asked if she would consider being the Fall Party artist this year, Heather's response was, "Are you serious?? That's been on my bucket list for years!" This is what we love about Beaufort, highlighting our friends and neighbors at the Annual Fall Party!

Heather, a native of Britain, was fortunate to end up in the coastal town of Beaufort with her husband. After teaching art to students in the North Carolina public schools for many years and raising two children she decided to focus on her own art work.

FROM THE DIRECTOR

As summer gives way to fall a reprieve from some extremely hot days seems welcome, but I will miss the longer days and warm, breezy sunsets that come with Beaufort summers. The Old Homes Tour and More was a great success, and the outstanding events that accompanied the tours were distinct highlights with attendance of over 2000. Impressive dedication went into every detail. And, then in what seemed like a flash the Summer Party was upon us. The tent went up, catering tables were laid out, the bar was stocked, and the Night Years band was rocking the grounds. By all accounts our Summer Party met expectations of being THE party of the summer season. These successes are due to a generous can-do spirit that is alive and well throughout our organization.

Now, as Patricia Suggs steps away from her 26 years as executive director, I am excited to follow in the footsteps of a remarkable leader. Her numerous contributions to the BHA, to the historic site, to the Town of Beaufort, and to Carteret County are abundant. She has earned this time of respite, and her story, with many chapters yet to come has earned its place in our community's history.

There is also much yet to come for the BHA. In fact, fall events are favorites in the year for many locals and visitors with various ways to be involved. For example, volunteering is very rewarding, and our free Volunteer Picnic happens on September 9 – you're invited! October's Fall Party promises an evening of cool jazz, great food and great company not to be missed. November 1 starts the month with Voices of the Past tours followed by weeks of Harvest Time and Kindergarten Thanksgiving visits for grade school students. Be sure to look for living history workshops on the fall calendar and follow our website or social media closely for updates and tickets. We bring history to life every day so call us to learn more about being part of it all. We're much more than a site or an association, we're a community.

64TH ANNUAL *Historic Beaufort, NC* OLD HOMES TOUR & More

We celebrated our 64th annual Old Homes Tour and More this summer. Many may not realize but it takes hundreds of volunteers and contributors to make the Old Homes Tour happen. Special thanks to our terrific volunteers, event sponsors, committees and the Beaufort Garden Club, as well as the generous homeowners, garden owners, churches, galleries, and local businesses who participated. In short, without this support it would not have been possible.

The Old Homes Tour officially launched with the Kickoff Party on May 31st. JJ Jiang was present for his show opening as Featured Artist in the gallery, and First Place for the popular Bartenders' Challenge went to our new Middle Lane neighbors - The Periwinkle! The Literary Luncheon at the Coral Bay Club in June featured New York Times bestselling authors, Kristy Woodson Harvey and Dawn Tripp, who shared engaging insights with guests. Next was the Purvis Chapel Choir with a sold-out concert that raised funds for the church and raised spirits of all in the crowd. The "OHT" tour dates were predictably hot, but attendance was steady as homes and tour sites buzzed with locals and visitors. A Sunday Brunch closed the weekend with returning special guest designer and author, Marshall Watson who gave a masterclass in elegant living, making it an outstanding occasion at the Coral Bay Club. With standards for excellence clearly established, goals are set high for the historic tour's 65th year.

ANNUAL VOLUNTEER PICNIC

TUESDAY, SEPTEMBER 9TH, 5:30PM

The Beaufort Historical Association will host the Annual Volunteer Picnic at 5:30 pm on the grounds of the Beaufort Historic Site at 130 Turner Street. There will also be a very brief meeting (we promise). We're excited that Fat Fellas will be catering our picnic again with a traditional menu of fried chicken, BBQ and all the sides. We'll have plenty of water, iced tea, wine and beer. This picnic is our way of saying THANK YOU to volunteers who generously dedicate time and talents to the BHA. Without the support of volunteers the BHA and the Beaufort Historic Site could not present the area's treasured heritage in such entertaining and informative detail. We also want to welcome any new volunteers who may be interested in participating in the future.

Thanks for all you do!

Lookout CRUISES

In Memory of David Pleace

David Pleace, our foremost double-decker bus expert, passed away peacefully on July 2nd. He is survived by his beloved (and also very British) wife Shirley of 64 years, as well as 3 sons, 6 grandchildren and 3 great-grandchildren. His mind was as great as ever, even at 94 years of age, but his body just would not let him do what he wanted to do. For example, he could sit on the bus and tell the mechanics what was wrong and how to fix things, but he could not do it himself.

David is shown here the day the bus finally arrived from England by ship to Charleston. On May 30th of 2007, David, John Hagle, and Bill Hubbard were driven to Charleston by Grayden Paul to pick up the Route Master bus at the port and drive it back to Beaufort with Grayden serving as the "chase car". David was also the one that found the bus in England and had the roof removed and other alterations done in the UK before it made the trip to Beaufort.

Without David's considerable time and effort, his engineering background, his diligence, and his penchant for doing things right, the Beaufort Historical Association would not have this special bus today.

As many of you know, the bus had a transmission issue last year, followed by a compressor failure this year. Two costly repairs and loss of revenue happened in a row for our beloved bus. Donations are gladly accepted in honor of David to the David Wightman Memorial Bus Fund. David Wightman was the caretaker of our 1948 bus, and after him, David Pleace became the caretaker of our 1967 Bus. So, with the help of two amazing Davids, we've had a vintage English double-decker bus in Beaufort for over 50 years!

HARVEST TIME

Most BHA members know that Harvest Time happens on the historic site every October, but did you know we do school groups all year long? Educating current and future generations about Beaufort's historical heritage is one of the most important parts of our mission. Our largest interactive learning experience is Harvest Time open to fourth-grade students. This year the program will run from **October 7th through October 17th, 9 a.m. to noon.** Students will rotate through hands-on learning stations where volunteers dressed in colonial attire lead students in a wide variety of educational activities. This annual event demonstrates the life of Beaufort families in the 1700s and 1800s through activities such as food preservation, candle making, woodworking, and corn harvesting techniques. Harvest Time is offered free to all Carteret County school students, while out of county schools pay a nominal fee. Due to multiple stations and the two-week duration of this event we are always in need of many volunteers! Please give us a call if you're interested in participating. The volunteers have as much fun as the students.
